

Sweetmama Sweet Nothing Sample

Headline: Sleep On It

There's nothing more fun than sitting in your PJs giggling the night away with your BFFs. Oh yeah, and kids can do it too! Here are some essential items that will make their first sleepover unforgettable.

Who Am I?

Too little (or creeped out) for the Ouija board? Sub in this hilarious game that keeps the laughter lighter.

Hedbanz for Kids, \$20. Available at www.toysrus.ca

Yellow Brick Road

No sleepover is complete without a good flick. We can't think of a better candidate than the incomparable Wizard of Oz.

Wizard of Oz DVD, \$19. Available at www.chapters.indigo.ca

Polka Dot Pajamas

A cozy pair of pjs is the unofficial uniform for sleepovers the world over. We love these ones for the comfy fit and brash design.

Polka Dot Pajamas, \$30. Available at www.hatleystore.com

Star Power

Cooler weather prohibits the pleasure of stretching out under a canopy of stars. Or does it?

Constellation Nightlight, \$50. Available at www.greatthingsinstore.com

Animal Attraction

While sleep is often the last thing on the mind of the slumber partier, these inviting plush bags will beckon them to dreamland even when sleep isn't.

Animal Sleeping Bags, \$100. Available at Pottery Barn Kids
